Applicant: Please Carefully Read The Statement Below.

I agree to comply with all City, County, and State Building Laws, Ordinances and Codes. The representations in this building permit application are true and accurate. Any misrepresentation or errors herein, are the sole responsibility of the applicant, and shall in no way incur or accrue liability or obligation to the jurisdiction, its enforcing officers or agents.

This application is null and void 180 days after filing and approval unless issued. The permit becomes null and void if work on construction is not commenced in **180 days** after permit issuance, or if construction or work is suspended or abandoned for a period of **180 days** any time after work is commenced. A status inspection will be requested to confirm progress if an inspection has not been made in **180 days**.

Amended plans will require additional review and may incur additional fees.

A Final Inspection and approval is required before the structure may be occupied. A Zoning and Compliance Certificate is required to document the jurisdiction's approval. Violation may result in legal action.

I have or will check the sewer depth of the above lot and will take all responsibility for staking the property & setting the building accordingly
