Preface

This is the 2010 edition of the "Provo City Code" which replaced previous versions of the volume entitled "Provo City Ordinances." The Provo City Code contains all codified ordinances of Provo City passed by the Municipal Council through February 16, 2010. Any minor changes or revisions were done under the authority and guidance of the Municipal Council in connection with the Municipal Council Attorney. Any comments or questions should be directed to the Council Attorney.

Explanation

Ordinances not intended to be codified such as street renamings, vacations, rezoning of designated areas, and other uncodified ordinances are not included and remain in effect.

Annotations given at the end of each of each section indicate changes since 1984.

This volume is affected by the contents of any ordinances passed after February 16, 2010. Copies of ordinances passed after February 16, 2010 may be obtained from the Provo City Recorder or found on the web at: <http://code.provo.org>.
