Install and maintain underground conduits, power silos, transformer pads; dig holes for power poles and the installation of anchor rods; set, install, and repair street lights, bases, and underground street lighting wire; assist in locating underground lines; rewire fixtures; may lead lower-level workers as needed; assist other crew members as needed; perform other related duties as required.

MINIMUM REQUIREMENTS: Two (2) years of experience as an Equipment Operator I OR three (3) years' experience in the safe and skilled operation of applicable equipment.

License(s)/Certification(s): A valid, lawful Commercial Driver's License (CDL) is required.

SELECTION FACTORS: *Knowledge of:* laws, codes, rules, and regulations governing equipment operation; policies and procedures established for the work system; basic English. *Skill in:* the safe operation and maintenance of heavy, specialized equipment; practicing trust-building behaviors. *Ability to:* deal with the public in a pleasant, courteous, and calm manner in all circumstances; communicate effectively both orally and in writing; develop and maintain effective working relationships with the public, coworkers, and supervisors; follow specific and general instructions; read and comprehend the English language.

TOOLS AND EQUIPMENT USED: Backhoes, trenchers, dump trucks, line trucks, ditch witches, slip loaders, chipper machines, boom trucks, jackhammers, road cutting equipment, compressors, compactors, pickups, and power saws, and other related tools and equipment.

PHYSICAL DEMANDS: Requires working and climbing in trenches, lifting up to 90 lbs., climbing on ladders and other equipment, climbing into silos and vaults, and getting into

awkward and tight positions. Requires physical strength and agility enough to perform the work including bending, carrying, heavy lifting, loading, digging trenches and holes.

ENVIRONMENTAL FACTORS: May require exposure to adverse weather conditions; prolonged and high noise levels, hazardous conditions, heavy traffic, and high voltage apparatus. May occasionally include exposure to high-stress situations or environments. *Note: Employees of this class may be subject to on-call status.*
