

Provo City will be contracting with Utah County to conduct a vote-by-mail election. All ballots will be mailed out 21 days before each election to active registered voters. It is easy to vote - just fill out your ballot, sign the envelope, and drop your ballot in the mail. To be counted, ballots must be postmarked the day before the election.

For those who wish to submit their ballot in person, voters can easily place their ballot in secure drop boxes located at the Provo City Center (Customer Service), the Provo City Library, and the Utah County Election Office.

If you don't receive a ballot in the mail, or lose/misplace your ballot, you may vote in person on Election Day at the Voter Service Center at the Provo City Recreation Center (320 West 500 North) from 7 AM - 8 PM. Same day voter registration will be available. All voters must bring a current ID and proof of address. A drop box will also be available at the service center for those who want to return their signed and sealed ballot in person.
