APPENDIX F

NOTIFICATION OF AVAILABILITY COMMENTS ON FILE IN THE CITY RECORDER'S OFFICE AND COMMUNITY DEVELOPMENT DEPARTMENT FOR THE 2004 AND 2009 GENERAL PLAN UPDATE

PROVIDED FOR INFORMATIONAL PURPOSES
NOT ADOPTED AS PART OF THE GENERAL PLAN
Refer to Chapter 6 Land Use for Adopted Policies

As part of comprehensive updates to the 1997 General Plan in 2004 and 2009 some neighborhood chairs provided written documentation to the Community Development Department, Planning Commission or Municipal Council. A file of materials submitted in the preparation of this General Plan Comprehensive Update is maintained in the Community Development Department.

Neighborhood Chair written documentation is also filed in the office of the Provo City Recorder. While not a complete representation of all public input received, this written documentation is made available as an informational resource for residents, land owners, business owners, prospective developers, and policy makers.

Not all statements represent policies of the Provo City Municipal Council, and some may be in conflict with currently approved policies of the General Plan. These statements do, however, represent much work by the Neighborhood Chairs and by the residents of these neighborhoods and present information that may be useful.

Information on the Provo City Neighborhood Program is available from the Provo Municipal Council Office located in the City Center, 351 West Center Street, Provo, Utah.

The City Recorder also maintains records and minutes of all public hearings conducted by the Municipal Council in relation to the preparation and adoption of the Comprehensive Update to the General Plan.
