

TMAC – May 14, 2019 Minutes – 12:30pm, 330 West 100 South

In Attendance:

- *TMAC Members:* Laureen Urquiaga, Clancy Black, David Arnold, Anna Lim
- *Staff:* Gary McGinn, Aaron Ardmore, David Graves, David Day, Shane Winters, Jared Penrod, Austin Taylor, Brian Maxfield

Item 1 – Update on recent projects:

- Bulldog Blvd. update: under construction, TMAC to conduct a field visit when completed, TMAC to get regular updates after completion.
- 500 West (UDOT) update: under construction, should be complete by August 2020 with a new surface, new bike lanes, new sidewalks, and landscaping.
- Lakeview Parkway: under construction from the Airport to Center Street, 5-lane section with bridgework.
- Interchange Study (UDOT): finding new location between Center Street exit and University Parkway exit.

Item 2 –Transportation Master Plan Review:

- Cross-sections have been updated, and adopted; will be used in upcoming construction projects.
- The consultants should have a TMP draft for review by TMAC at the end of June.
- TMAC will be able to review and discuss TMP in July meeting.
- TMAC members stated the need to review the public comments and CIP in relation to complete streets policy documents prior to the TMP draft release.
- The consultant should show how the connectivity index and complete street ideas have been incorporated into the TMP.

Item 3 –TMAC Work Item updates:

- Brief discussion on 800 North study, will need to be a five lane road from Geneva Road to University Avenue.
- TMAC should discuss options for safe pedestrian safety on 800 North near BYU.
- Additional overpass on either 200 West or 500 West has been assigned to a consultant to study.
- TMAC would like to discuss TOD development in future meetings.
- TMAC would like to hold regular project updates as Item 1 for future meetings.

Next Meeting: June 11th at 12:30pm to review and discuss TMP comments, CIP schedule, and complete streets as part of the TMP.
