Explorer Program POST 1974

The Law Enforcement Explorer program is designed to train and educate youth for real police operations and responsibilities. The intent is to educate those youth, who may be interested in a Law Enforcement career.

Explorers will learn of law enforcement functions, through hands on training at various locations including classroom settings. Explorers will train to become efficient at problem solving in the following categories.

Disturbance, Domestic Disturbance, Hostage Negotiation, Vehicle Search, Crime Scene, Traffic Stop, Burglary In Progress, Bus Assault, High Risk Stop, Active Shooter, Hostage Rescue, Officer Down, Obstacle Course, Suspicious Person, Critical Incident, DUI Stop, SIMULATOR and more.

The Explorer program requires commitment yet can have incredible impact. In addition, Explorers will learn leadership, hard work and discipline skills to help become a productive member of society.
